Dedication

Once again this year, the senior class has overwhelmingly voted to dedicate their yearbook to Mr. Paulhus. Mr. Paulhus is not only a very dedicated teacher, but he is also a devoted friend. Each year he touches the lives of so many of his students in so many different ways. To some he is a wonderful and interesting teacher. To others he is a friendly face who is always willing to listen and yet to others he is simply an understanding man who can understand just what it is like to be a kid. To most of us however, he is all that and more. Rarely is there a time when one can walk down the hall with out receiving a cheerfull "hello" from Mr. Paulhus. He treats each student individually and has inspired not only just the students in his class, but also many other students throughout the school. Because of this unending kindness, the graduating class has grown to love and respect this man very much. The class of nineteen hundred and ninety seven is very proud and honored to dedicate this year's edition of *The Chief* to such a man. Thank you Mr. Paulhus. We love you.

The Class of 1997 says farewell to Dr. Devine and thanks him for 25 years of service.

Harold G. Devine, Jr. Ed. D.

My message to this year's class is both very special and very personal. Like you, I, too will be leaving the security of the Swansea Public Schools to face new adventures. We will go off together with high ideals and vast hopes. None of us know where our journey will lead. What we do know is that the lessons we have learned in our schools and in our homes have prepared us for whatever we might encounter. The teachers and staff members who have inspired you and the students who have inspired me have given to us a gift which we will use for the rest of our lives. Cherish the gift and let it guide you in whatever you may do.

And so we take our leave. Ralph Waldo Emerson said, "Hitch your wagon to a star". May your star burn brightly and your wagon be swift and strong. My wish for you is an extra measure of happiness, good health and success. I hope that our paths will cross in the future where we will share with each other our tales of daring do and adventure. It has been my distinct privilege to have served as your Superintendent of Schools. For this I shall be eternally grateful. Thank you and goodbye.

JOSEPH D. SANTOS PRINCIPAL

To The Class of 1997 -

Four short years ago you entered Joseph Case High School as apprehensive freshmen wondering what lies ahead. The faculty and staff at Case High have prepared you well for your next step toward claiming your place in our ever changing world, whether you are headed for college, the Armed Forces or the work place. During our times together, I have conveyed to you an important message: to work as hard as you can in life to achieve your personal best.

You have experienced the joys and sorrows of high school life. Your class will be remembered for the rekindling of school spirit with your enthusiasm and pride.

I wish you luck in your future endeavors and hope to see you return to your alma mater to enjoy some of our fine extra curricular activities.

Sincerely yours,

Joseph D. Santos,
Principal

CHRISTINE M. STANTON VICE-PRINCIPAL

To The Class of 1997:

I would like to wish you the best of luck and success in all your future endeavors. Leaving Case High School as young men and women, stand tall and enter your community with respect and dignity. Begin by influencing others by taking the positive aspects of what you have learned in your high school career. Help create a caring community, one which appreciates learning and education as something valuable in its own right. Use your leadership qualities to create a supportive environment which allows all to not only experience freedom but challenge themselves to stretch their thinking.

Most of all, never forget the memories and friendships you have formed at Case High School:

When I look back,
I will recall,
Moment for moment,
This was the moment,
The greatest moment of them all!

The first yearbook came out in 1945, entitled THE RECORD BOOK. It held that name for a few years, until the students dissatisfied with such a conventional name, changed it. They decided on THE CHIEF, in honor of Swansea's Native American heritage. The name remains today as a remembrance of our history.

Alma Mater

Our strong bond can ne'er be broken
Form'd in dear Case High
Far surpassing wealth unspoken
Seal'd by friendship's tie.

Mem'ry's leaflet close shall twine
Around our hearts for aye,
And waft us back o'er life's broad track
To pleasures of past day.

High school life at best is passing.
Gliding swiftly by;
Then let us pledge in work and deed
Our love for dear Case High.

CHORUS:
Alma Mater-Alma Mater,
Deep graven on each heart,
Ode victorious we go singing
As from these halls we depart.

Girls Cross Country

1996 Girls Cross Country Team: Captain - Danielle Pelletier, Amy Blackburn, Sheela Agrawal, Lee Stanish, Kathy Wilson, Coach Steve Eaton

The boys and girls cross country team, led by coach Steve Eaton, had a very successful season this year. The girls finished second overall and the boys finished eighth. This season there were numerous records set and personal bests achieved, none of them as impressive as Sheela Agrawal's. She broke records at all the conference meets and went on to become SCC champion, SCC Runner of the Year, as well as League All Star, and placed second in the state meet. Kathy Wilson was also named League All Star, for her outstanding performances. Amy Blackburn, and captains Danielle Pelletier, Josh Lawlor, and Owen Windle were all named League All Star Honorable Mentions and Danielle was also the recipient of the Henry Chapman Award which is presented to a league member in his memory each year. Along with these awards, the girls team was also awarded the team sportsmanship award for the SCC League. For the first time this year Case competed in the Footlocker Race in New York and Amy and Sheela had impressive performances. Captains Josh, Owen, and Danielle would like to say to the team "Good luck in the future, and never stop running".

Captain Owen Windle, Coach Steve Eaton, Captain Joshua Lawlor

During the 1996 cross country season I think everyone had a lot of fun. Mr. Eaton was a great coach who always taught us to be the best we can be. We may not have won as much as we wished we could have but we always tried our hardest and had fun. Every member of the team equally contributed to get us where we were. For this I would like to say thanks and good luck to everyone returning to the team next year: Mike Frechette, Todd Andrade, Matt Ulmschneider, Neil Hingorany, Adam Perry, Lee Standish, Kathy Wilson, Amy Blackburn, and especially Sheela Agrawal, good luck. I would also like to say good-bye to my fellow co-captains Josh Lawler and Daniel Pelletier, good-bye and good luck in the future.

The 1996 Field Hockey Team closed out a successful season, finishing 8-4-2 in the SCC. The record includes double wins over Wareham, Old Rochester, and Bourne. They finished third overall in the South Coast Conference. After facing some tough teams right away, the team's defense and offense came together to score 27 goals. Senior forwards Kylene Boutin, at both right inner and right wing (two goals, two assists), Jennifer Rolfs playing both inner and right wing (four goals, two assists) and Lindsey Shea at left wing (Four goals, three assists) contributed to the scoring. The Senior Mid-Fielders, who bridged the gap between the offense and defense included co-captain Megan Kirkman (one goal two assists) and Jenna Hathaway (four assists), and the strong defense included Kristina Lammare, who was responsible for tackling opponents and had strong drives at the halfback position. Co- captain Brianne Cranshaw was the goaltender, and had 130 saves and six shutouts. She was the first goalie to ever score three times in the season on penalty strokes. The 1996 Field Hockey Team was also unanimously chosen by all the coaches in the league for the SCC Sportsmanship Award. This is the second year in a row the team has received the honor.

"Team Bonding"

These 7 seniors grew up together and made many memories during their last season in soccer. They always showed good sportsmanship and helped each other carry the team through the losses as well as the victories.

Spectators enjoyed watching senior Amy Renard's graceful ballerina-like movements. She was an aggressive player who knew how to do it with style.

Meagan Dingle

Erika Martineau

Coach Raul Reis knew how to laugh and joke with the team, but when it got down to business, he was always serious.

The 1996 Girls Varsity Soccer Team has a lot to be proud of. Despite missing tournament play by only a few points, they had a great record of 6-9-3, which most people would not have thought they could have achieved. They made definite progress as the year developed, and gave some more difficult teams a run for their money. They always kept things in perspective and remembered having fun was important, especially as a first year team. The girls kept the team cheerful with songs, but never failed to get serious when they needed to. Many great memories developed from this year, and now it's the underclassmen's job to carry on the fun times and hard work.

Under the direction of new coach, Henry Andrade, the Case High Soccer Team started the season off strong by beating Seekonk and League Champions New Bedford Voke. Another huge win came in defeating Dighton Rehoboth, the defending League Champs. Senior captain Kyle Smith anchored the defense throughout the season, while senior captain Mark Medeiros provided the scoring. Paul Machado, also a captain, helped the midfield with his aggressive play and he also provided a few goals and assists. Dave Melancon's positive attitude helped the team through the rough games. Despite these efforts, the Cardinals fell shy of the State Tournament by two points. Upcoming seniors Adam Hoyle, Jeff Kenyon, John McAniff, Dave Crisafulli, and Neil Silvia are hoping to make next season a success.

This year, the varsity volleyball team had an exceptional season. The team triumphed with a 24-1 record falling only once to the Fairhaven Blue Devils. Case however atoned for that loss later in the season when they met up with the Blue Devils again and beat them in three straight sets. After that game, it was smooth sailing as team co-captains Kerry Antunes and Kim Brizido led their team into the state tournament. In the tournament the Lady Cardinals faced many great teams including the Fairhaven Blue Devils. The Case volleyball team however, was no match for any of their opponents because not only were they a great team, but they also had all the heart and tradition of the Case High program supporting them. Once again, the volleyball team "made it happen" and brought home the 1996 Division II State Championship title.

The golf team, in its first year was a surprise to everyone. The team ended our season 5-9 and finished fourth in a conference of seven teams. Their biggest win of the year came in their second meeting against Wareham. In their first match with this team, they lost by seventeen points. In the second meeting however, they won by three. The Case team had three seniors on their roster this year: Captain Michael Azza, Todd Courturier, and Milton Broulliard. This year's team consisted of freshmen and sophomores. In two or three years, look for this team as it becomes a conference power in the SCC.

GYMNASTICS

Coach Butch Senna's Gymnastics team was young but talented this year. They were led by senior captains Nancy Tavares, Rhonda Wheaton, and Renee Thibault.

We had a great season. We all worked together and tried our hardest to be the best we could. We had an almost unheard of 20 point increase in our score from the beginning to the end of the season, and that proves we were working hard all season. We worked really hard as a team and it really showed. It was definitely a season to remember.

Although the hockey team's record didn't show it, we played hard all year. We had some great individual performances, highlighted by Milton Brouillard scoring the 100th point of his career.

Milton won the MVP Award and was selected, along with freshman Jack Downes, for the SCC All-Star Team. Seniors Nick Freitas and Todd Annarummo were picked as Honorable Mention All-Stars. Nick and Todd shared the Coaches Award and Nick earned the MIAA Sportsmanship Award.

WINTER TRACK

Case's winter track teams had some solid individual performances this year, but struggled in their dual meet performances. Mr. Pontes and Mr. Eaton coached the teams, and Andy Dolan, Kelly Texeira, and Tina Tessier were the captains.

The girls team consisted of 17 athletes, while the boys squad competed with just six. Even with these small numbers the Cardinals were able to hold their own in most of the meets. "Overall, they did a good job. They really pushed," Pontes said. "All the kids improved on their times and distances from the beginning of the season."

Case qualified five athletes for the State Meet. They include Amy Blackburn, Kathy Wilson, Abby Higginbottom, and Chantel Ambroise for the girls and Andy Dolan for the boys.

Our senior-dominated basketball team played a lot of exciting games this year. Although we didn't win many games we always played well enough to keep the games close. The highlight of the season was a thrilling win over eventual SCC champ New Bedford Voke near the end of the season.

Coach Cookson awarded his MVP Award to Sean McGlynn and his Coaches Award to Dave Melancon and Kyle Worthen. Other team members this year were Jay Landry, Jarred Pelletier, John McMahon, Wilson Medeiros, Dave Caban, and Dave Fleet.

Tri-Captains Jarred Pelletier, John McMahon, and Dave Melancon.

GIRLS' BASKETBALL

Our basketball team had a great season this year. Showing a lot of improvement over last year's team, the highlight of our season was qualifying for the State Tournament and an exciting overtime win over Sharon in the first round.

Kim Brizido was the top scorer and won the MVP Award. Seniors Brieanne Cranshaw and Holly Stasiowski were the winners of the Coaches Award and the Sportsmanship Award, respectively. Congratulations to the rest of the squad and good luck to next year's team.
